

## Collaborative Targets for 2024 – 2025

Working in partnership across our network, our programmes focus on learners and their parents / carers, with a focus on those who are underrepresented in higher education.

Our annual collaborative targets ensure we are constantly working to meet the needs of our schools and universities, delivering against national targets to address equity in access and opportunity to participation

Participants across Aimhigher London Activities	Target 2024/25
First Generation* <sup>1</sup>	55%
Free School Meals * <sup>2</sup>	45%
Black, Asian and Minority Ethnic heritage	50%
White heritage and Free School Meals (white working class)	15%
Special Educational Needs, Disability or Neurodiverse	18%
Experience of Care	3%
Low Progression Neighbourhoods (Polar 4 Quintiles 1 & 2)	14%
High Deprivation (Indices of Multiple Deprivation Quintiles 1&2)	30%
Male	55%
Female	45%
Parents (numbers)	250

% of the total population of learners engaging on an AHL programme in 2024-2025

All the targets are mapped to national data and address specific needs, including intersectional data sets.

\*<sup>1</sup> First Generation – learners whose parents have not attended higher education

\*<sup>2</sup> Free School Meal - learners who are or have been in receipt of free schools meals whilst in education.
