An inclusive road map, preparing learners from all backgrounds, to progress onto higher education, apprenticeships and the world of work. Experiences in school, on campus and online for all age groups, parents, carers and teachers

## Finding Futures for Learners

A modular programme designed to be flexible to meet the needs of all learners

### In School

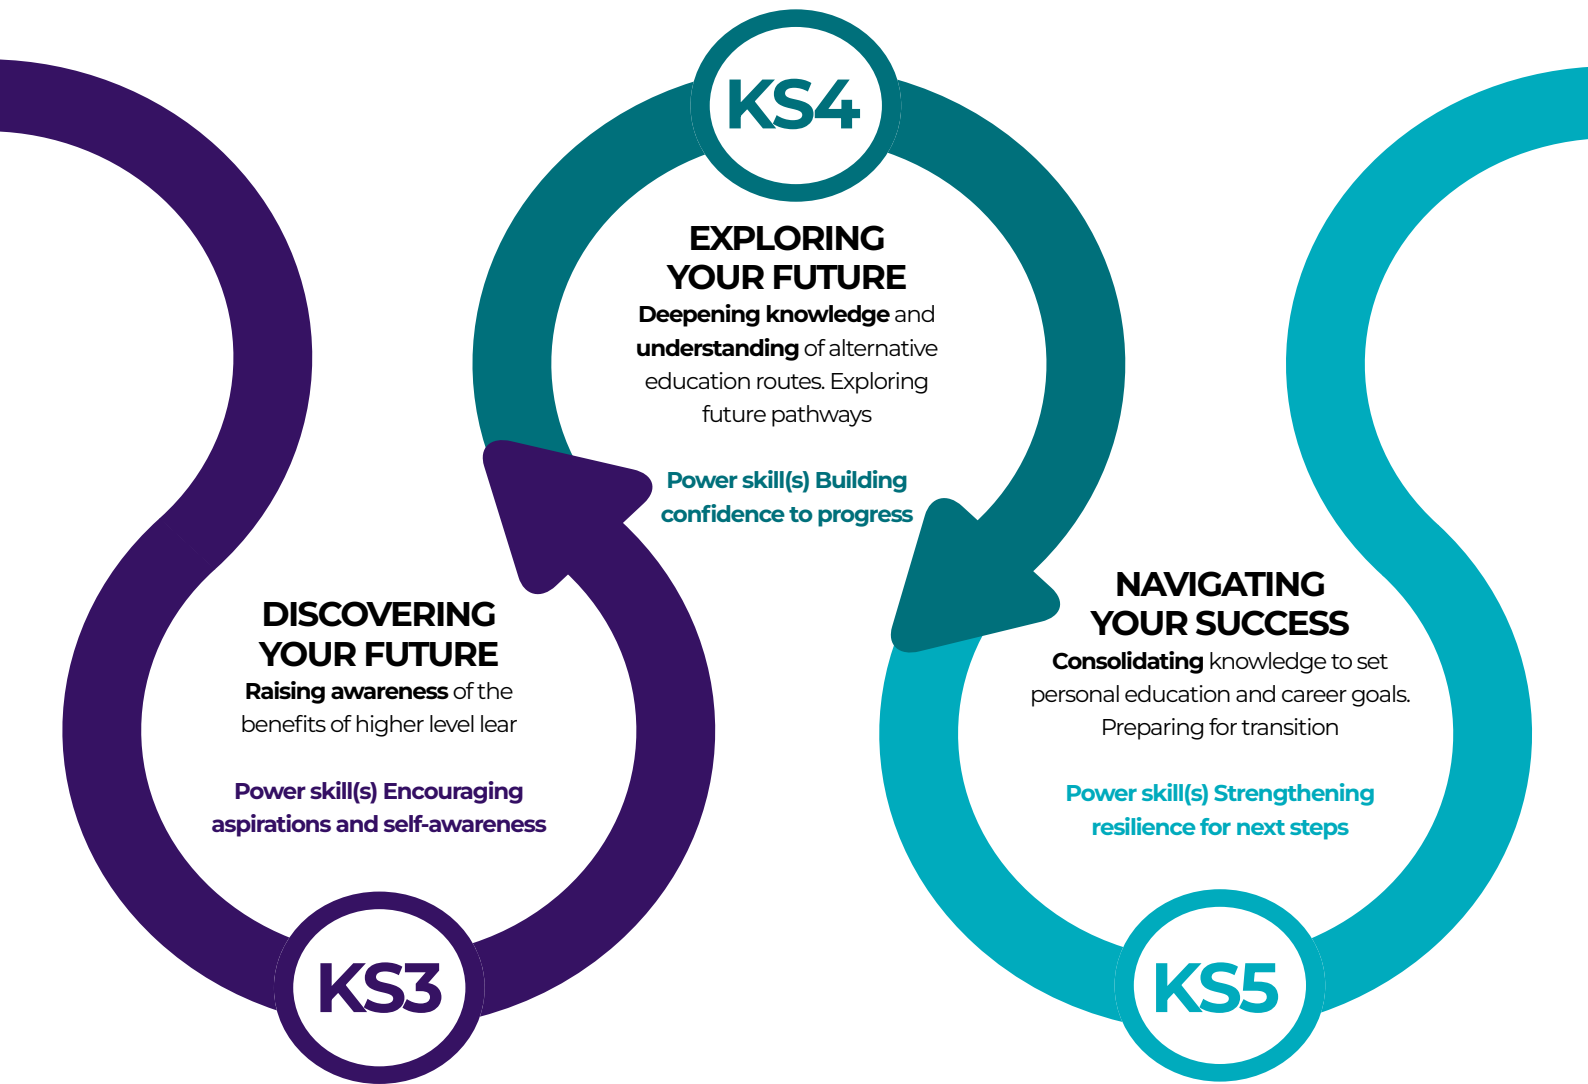

Choose from more than 10 modules, a series of short interactive presentations for assemblies, drop-down days and tutorials on a range of topics Understanding university and apprenticeships and choosing a course

### On Campus

Full day or half day campus experiences with student ambassadors from a range of universities, lecturers and the Aimhigher London team to raise awareness that university is for everyone

### Online

A series of webinars, featuring employers, lecturers, students and apprentices highlighting the opportunities and challenges on their experiences of higher education and chosen career pathways. 'Top tips' on applying for subject specific courses and careers

## Finding Futures for parents, carers and staff

A 360 degree programme. We support parents, carers and staff to understand future pathway options, student finance and transition support through a series of webinars and a range of best practice resources developed through our Working Group forums.

### Join today

Membership ensures access to all network benefits for less than the cost of a Pupil Premium student
